

USGA RULES GOVERN ALL PLAY
EXCEPT WHERE LOCAL RULES PREVAIL

- Play at Corte Bella will be governed by the Rules of Golf of the USGA and its decisions.
- Out of Bounds: is defined by white stakes and lines as well as all boundary walls, street curbing, and all areas outside the red granite including housing lots and the driving range. A ball that crosses a public road and comes to rest beyond that road is out of bounds, even though it may lie on another part of the course. The ball does not have to be located if it is known or virtually certain that the ball arrived out of bounds. White Boundary Stakes are not movable obstructions, they are fixed. Do not move them (2 strokes).
- Ground under Repair: Rule 16-1. Relief from white lined areas is for both stance and swing. You must take complete relief.
- Penalty Areas: are defined by red stakes and/or red lines and are found on Holes 5, 6, 7, 10, 11, 12, 14, and 16. Rule 17
- Immovable Obstructions Close to Putting Green: Free relief is provided from immovable obstructions interfering with the line between a player's ball and the hole if the obstruction is within two club lengths of the putting green and the ball is within 2 club lengths of the sprinkler head. (Example being sprinkler heads or irrigation boxes or covers). Drop the ball at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard or on a putting green.
- Bushes and Buffalo Grass: Please hit a PROVISIONAL BALL if you believe your ball has come to rest in one of these areas. It is WISE to make a statement saying that you believe your ball to be in here and if that is the case you are taking an UNPLAYABLE LIE. If the ball is not found within the 3-minute search time, the ball is lost and the provisional becomes the ball in play.
- Immovable Obstructions: Includes cart paths, irrigation boxes, electrical boxes, irrigation tubing at the base of trees and sprinkler heads. You are entitled to free relief when one of these interfere with your stance or the area of your intended swing. Find the nearest point of relief that is not closer to the green or in a hazard or on a putting green. Measure one club length from that nearest point and DROP the ball. The ball must first strike a part of the course that avoids all of the above. When taking relief from a CART PATH remember that your relief option may be on the red rock side of the path. Nearest relief is just that, nearest is not always nicest. The ball in that case may be played from the cart path. If your ball lies in the shrubs or big rocks near the cart path and your feet are ON the cart path the above relief option is not available as if the cart path were NOT there you would simply have an UNPLAYABLE LIE.
